2ND BRAZILIAN MEDIATION DAY

06 février 2025
Amphithéâtre de l'Institut de droit comparé 28, rue Saint-Guillaume - 75007 PARIS

The 2nd Brazilian Mediation Day arises as a lankmark event dedicated to the thorough examination and discussion of consensual dispute resolution within both Brazilian and global contexts.

The 2nd Brazilian Mediation Day arises as a lankmark event dedicated to the thorough examination and discussion of consensual dispute resolution within both Brazilian and global contexts. Building upon the remarkable success of our inaugural event, which received widespread acclaim, this year we are expanding to a full-day format. This decision reflects the overwhelming feedback from participants who expressed a desire for more expessive engagement.

Taking place once again during the ICC Mediation Week, which annually brings togother a diverse group of ADR professionals, including lawyers, mediators, arbitrators and other dispute resolution experts, this event promises an exceptional experience for all attendees. Participants will have the unique opportunity to learn from distinguished figures in the mediation field and to forge meaningful connections during dedicated networking sessions.
The panels will provide insightful discussions on the latest trends in mediation, contributing to the establishment of best partices on an international scale.
